

Campus ERP System

Comprehensive Solution for Academic Management

Designed & Developed for Seamless Institutional Operations

Introduction

The Campus ERP Application is designed and developed based on inputs from various academies. It has been successfully implemented at ISSM in Chennai. The ERP system consists of multiple interconnected modules, allowing seamless operation across different functionalities. It supports multiple academies under the same management within a single application.

Modules Overview

The ERP includes several core modules:

- User Management
- Campaign Module
- Fee Module
- Academic Management
- Student Module
- Student Assessment Module
- Staff Management
- Attendance Management
- Placement Management
- Reports

These modules work in harmony to provide a unified and streamlined system for campus operations.

User Management

This module allows for the creation and maintenance of various user roles within the application. Each role is assigned specific permissions that dictate access levels within the system.

Features:

- Ability to create and manage different users within the ERP system.
- Assign distinct roles such as Administrator, Teaching Staff, Non-Teaching Staff, Students, HODs, and Coordinators.
- The application's functionality and accessible features dynamically change based on the user's role upon login.

Campaign Module

This module manages student inquiries, tracks interactions, and oversees the admission process.

Features:

- **Tracking Student Data:** Collects student information from various sources such as external media and marketing campaigns.
- **Data Assignment:** Allocates collected student inquiries to different calling staff members for follow-up.
- **Follow-up Tracking:** Maintains a record of student responses and statuses based on interactions.
- **Reassignment of Leads:** Team Leaders and Managers can reassign student inquiries to different staff members.
- **Interview Scheduling:** Calling staff members schedule interviews or admission tests for prospective students.
- **Multi-Level Interview Process:** Students undergo three levels of interviews. Each interviewer can access previous interview scores.
- **Admission Process:** Once a student clears all interviews, a fee structure and payment schedule are generated.
- **Student ID Generation:** Upon successful registration fee payment, the system generates a unique Student ID, enabling access to the Student Module.

Reports:

- Number of student leads assigned to each staff member.
- Number of calls completed, pending, and yet to start per staff member.
- Data insights on student conversions from inquiries to admissions.
- Staff working hours calculation.
- Leave details of staff involved in admissions.

Student Module

The Student Module provides access to academic information, attendance, assessments, and other essential services.

Features:

- Login Credentials:** Generated upon successful fee payment, allowing access to the module.
- Performance Tracking:** Students can view their marks, assignments, and assessments.
- Course Management:** Provides syllabus, class timetable, and exam schedule.
- Resource Access:** Includes sample question papers for reference.
- Leave & Permission Requests:** Students can apply for leave, on-duty permissions, and gate passes for early exit through the module.
- Placement Assistance:** Displays job openings, interview schedules, and results.
- Fee Management:** Provides fee payment details and schedules.

The screenshot shows the INDIAEXCITE platform interface. On the left, a sidebar lists various modules: Dashboard, Fee, Syllabus, Question Bank, Holidays, Attendance, Leave, Marks, Assignments, Assessments, Announcements, and Gate Pass. The 'Fee' module is currently selected, indicated by a red box around its icon and text.

The main content area is divided into two sections:

- Fee Details:** A modal window titled "Fee Details" shows a table with columns: DESCRIPTION, AMOUNT, and DATE. It lists transactions for "Total Fees", "Registration Fees", and "Year 1 Fee". A large red "Pay" button is at the bottom.
- All Transactions:** A table titled "All Transactions" with columns: DESCRIPTION, AMOUNT, DATE, STATUS, and TRANSACTIONS. It shows a list of transactions categorized by status: Pending, Completed, Partially Paid, and Pending. Each category has a "View Transactions" button.

The screenshot shows the INDIAEXCITE platform interface. On the left, a sidebar lists various modules: Dashboard, Fee, Syllabus, Question Bank, Holidays, Attendance, Leave, Marks, Assignments, Assessments, Announcements, and Gate Pass. The 'Syllabus' module is currently selected, indicated by a red box around its icon and text.

The main content area shows a table titled "Syllabus" with columns: DEPARTMENT, SUBJECT, SEMESTER, SYLLABUS, and STATUS. It lists two entries: "First Year" with "Alagappa Subject Super Admin" and "Semester 1" with "Syllabus - 1", both marked as "Active".

At the bottom, there is a footer with links: 2025 ISSM, Privacy Policy, About Us, Blog, and License.

Academic & Assessment Management

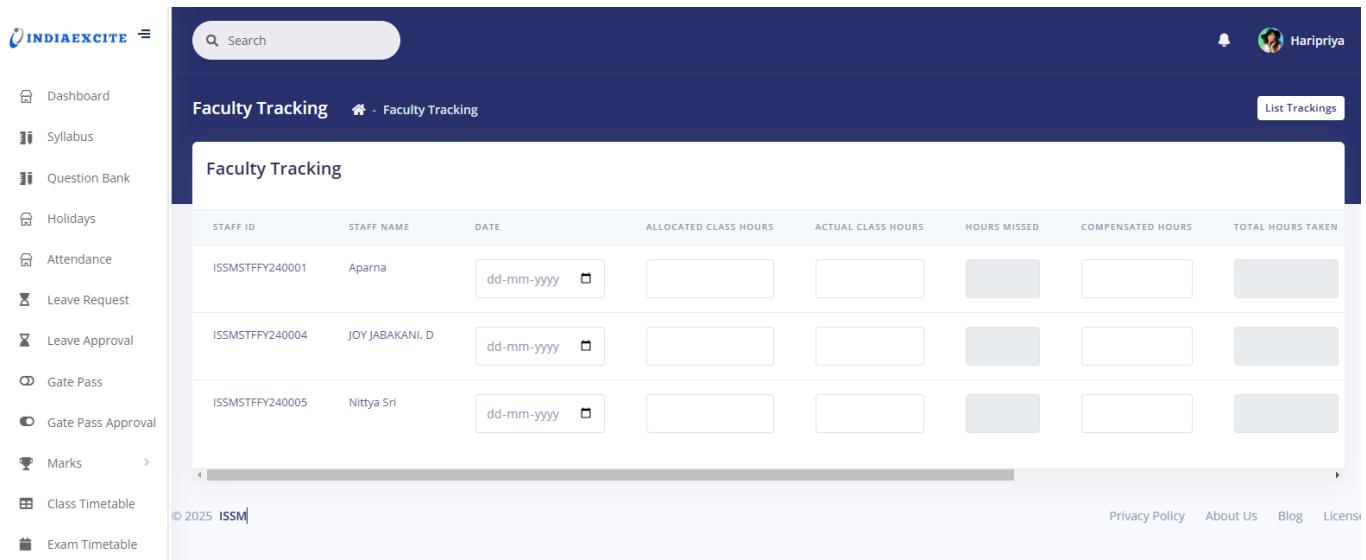

The Academic Management oversees the entire academic structure, ensuring smooth operations.

Features:

- Department Management:** Create and maintain different departments.
- Course Management:** Create and manage courses offered by the academy.
- Syllabus Management:** Update and maintain syllabus details.
- Timetable Scheduling:** Set and manage college-wide timetables and schedules for faculty and students.
- Exam Management:** Create and manage examination schedules.
- Faculty Management:** Assign and schedule faculty members for courses.
- Leave Management:** Approve or reject leave requests for staff.
- Student Tracking:** Teaching staff can update attendance, marks, and assessment details.
- Leave and Attendance Approval:** HODs and teaching staff can approve or reject student leave requests, on-duty applications, and gate passes.
- Academic Content Management:** Faculty can upload and create question papers, assessments, and assignments.

Reports:

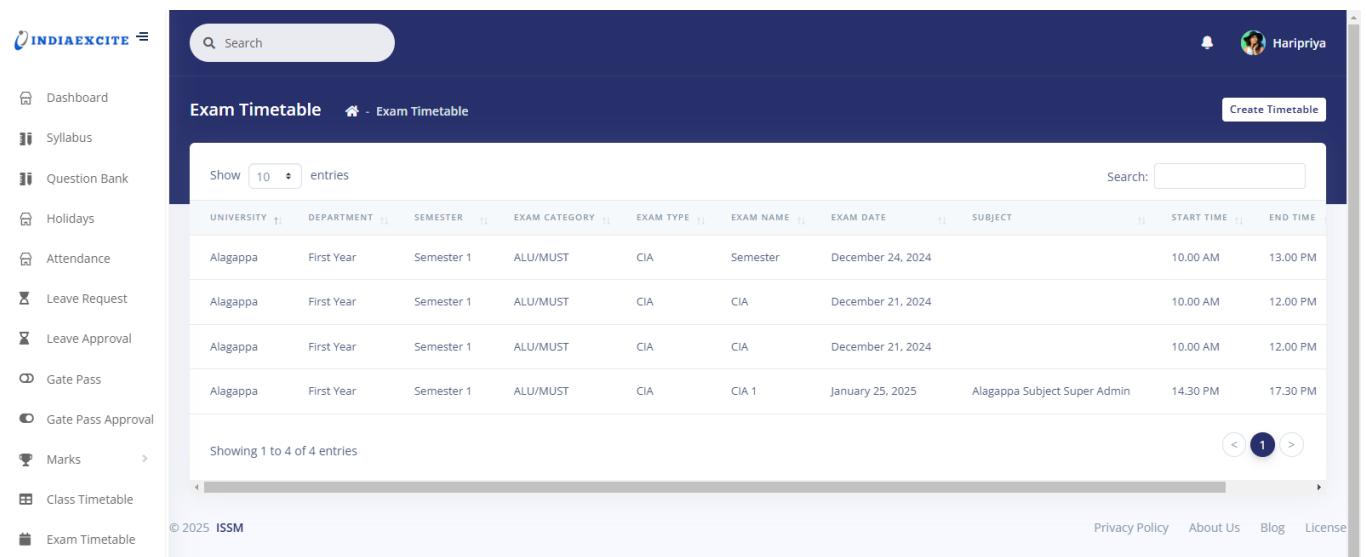

- Student marks across various semesters.
- Student attendance records.
- Faculty workload and class hours.
- Staff leave and attendance records.

Staff Management

This module streamlines staff management by categorizing and scheduling teaching and non-teaching personnel.

Features:

- Staff Categorization:** Manage different categories of staff, including Teaching, Non-Teaching, HODs, Administrators, and Coordinators.
- Department Allocation:** Assign staff to specific departments and courses.
- Timetable Scheduling:** Allocate time slots and schedules for teaching staff.

Placement Management

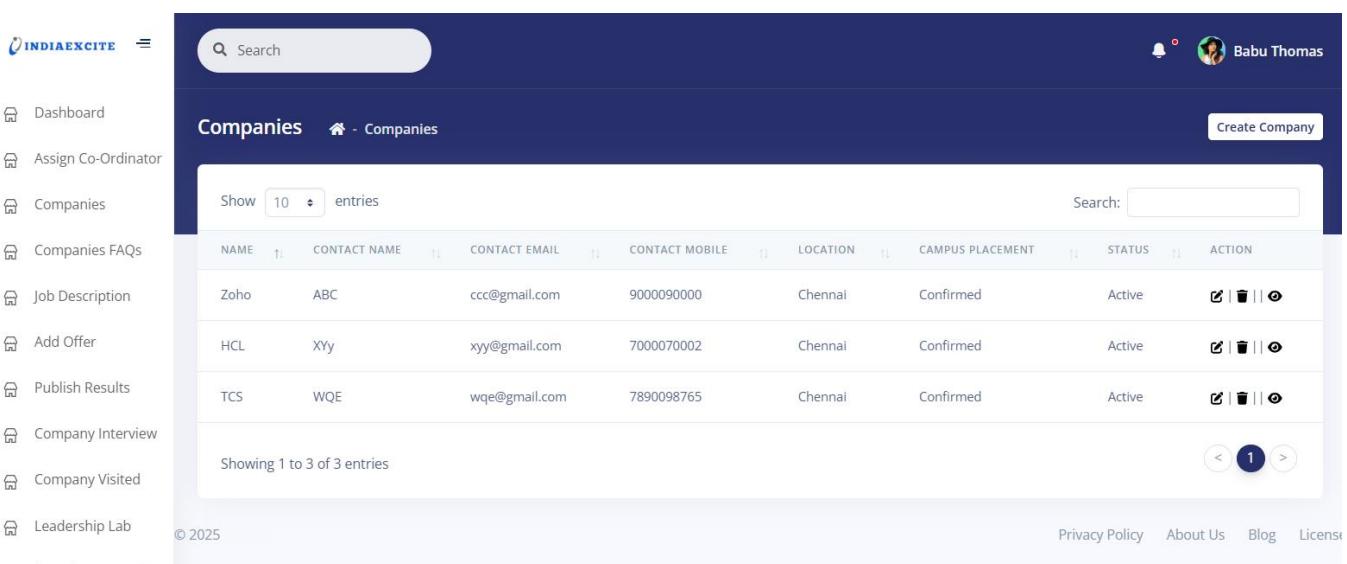

This module manages the placement process, tracking student participation and job opportunities.

Features:

- Company Management:** Maintain a repository of companies engaging in campus recruitment.
- Placement Tracking:** Keep records of placement drives for each company.
- Student Coordinators:** Assign students as placement coordinators.
- Job Descriptions:** Collect job details from companies and post them for student access.
- Interview Scheduling:** Plan and schedule interviews for students.
- Performance Tracking:** Monitor student performance in placement interviews.
- Selection Tracking:** Maintain records of students selected by companies.

Reports:

- Number of companies participating in placements.
- Number of students selected per academic year.
- Number of students attending interviews.
- Analysis of student selections based on package and department.

Leave Tracking Module

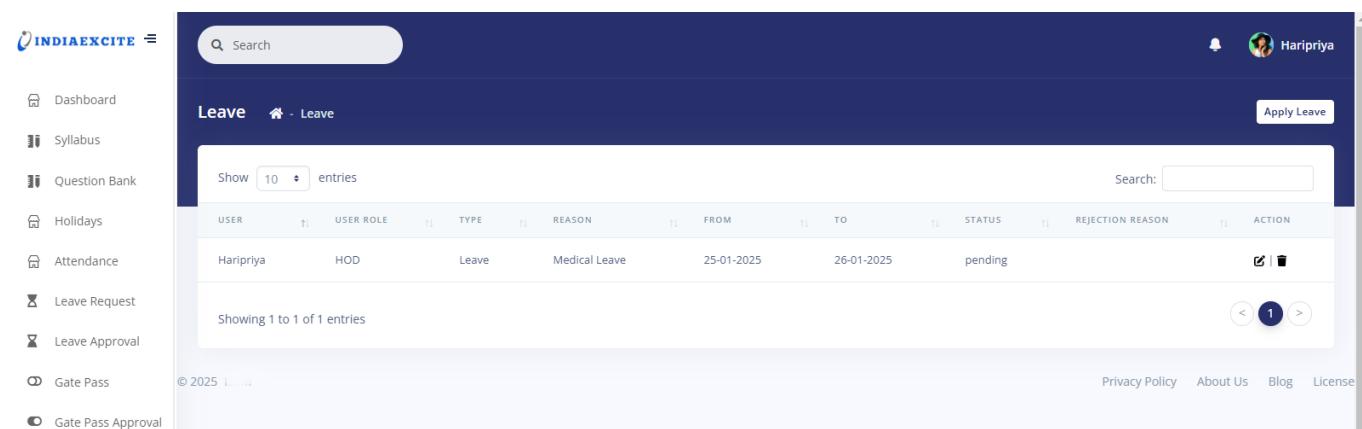

This module automates the leave request and approval process.

Features:

- Student Leave Requests:** Apply for leave, OD, and gate passes.
- Staff Leave Requests:** Teaching and non-teaching staff apply for leave.
- Approval Workflow:** HODs and Admin staff approve or reject leave applications.

Reports:

- Track leave history and balances for students and staff.

The screenshot shows the 'Leave' page. The left sidebar includes links for Dashboard, Syllabus, Question Bank, Holidays, Attendance, Leave Request, Leave Approval, Gate Pass, and Gate Pass Approval. The main content area has a 'Show 10 entries' button, a search bar, and a table of leave requests. The table includes columns for USER, USER ROLE, TYPE, REASON, FROM, TO, STATUS, REJECTION REASON, and ACTION. One entry is shown: Haripriya (HOD) requested Leave for Medical Leave from 25-01-2025 to 26-01-2025, status pending. Navigation buttons < 1 > are at the bottom.
